Civilian's Creed

I am an Army Civilian

I am a civilian professional and a member of a team. I serve Soldiers and the People of the United States, while living out Army Values.

I will always place the mission first.

I will maintain a can-do attitude.

I will always strive for success.

I will support my colleagues and never let them down.

I am disciplined, physically and mentally tough, trained and proficient in my duties and responsibilities. I am always honing my skills to serve better while taking care of myself.

I am an expert and a professional.

I stand ready to serve and support the American Soldier who serves and defends me, my family and my country.

I am a public servant, protecting our freedoms and the American way of life.

I am an Army Civilian.
